Sprint:	
Start date:	29/Jul/26

Description

Go to: [FalaqAdmin](#)

Reproducing Steps:

- Go to 'Orders' section
- Set Date Range.
- Set Team filter to desired team.
- Cross-check expected data.

Current Result: Not showing all the expected orders data.

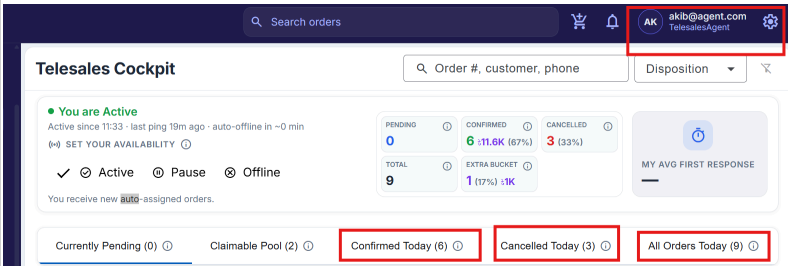

Expected Result: All orders handled by the specific team in the specific date range should be visible.

Bug Screenshots explanations:

1. Logged in as [akib@agent.com](#) [QA Team Pro] and worked on total 9 orders today [Confirmed + Cancelled]

1. Logged in as an Admin, went to Orders section applied Team filter to QA Team Pro & Date Range to Today. But only seeing 5 orders.

1. For further verifications, went to Agent Performance section as the admin. Applied Team filter to QA Team Pro and Date Range to Today. And this section shows actual result.
